## Design Management (An Introduction) - Taking Charge of Processes and People

Shared by  
Michail Kourouparis R.

[www.interaction-design.org](http://www.interaction-design.org) - Design management is a complex field; it doesn't relate to a single design discipline and the exact responsibilities attached to a design manager will depend on the organization they work for, the si...

## Employee experiences: Who should be responsible? | Sage People

Shared by  
Gethin Nadin

[www.sagepeople.com](http://www.sagepeople.com) - It's a question that has been doing the rounds for what seems like forever. Who exactly is responsible for employee experiences within a company? The wide consensus is that it should be everyone but...

## Yale pays the price for subordinating scholarship to social justice

Shared by  
Michael Rubin

[www.washingtonexaminer.com](http://www.washingtonexaminer.com) - Once upon a time, the main job of university presidents was to provide intellectual leadership. Before Woodrow Wilson became governor of New Jersey and rose to the presidency, he was the president of...

[www.skipprichard.com](http://www.skipprichard.com) - The world of business is moving faster than ever before, and this world is filled with much volatility, uncertainty, complexity, and ambiguity. In their book, Scaling Leadership: Building Organizatio...

Everything we do is about delivering outcomes. We talk to clients like you right across the country. And we listen to a lot of unique business challenges every day. But there's one part of the conversation that is always the same. The need for some kind of outcome. Sure, we have lots of great talent. Yes, we can source a speaker or entertainer from anywhere in the world. But what we really do take audiences where they need to go.
